

## **Good Sports Policy**

The Committee of Management has signed up to the Good Sports Program to demonstrate that the Club is committed to creating a safe, respectful and positive environment where players, officials, members and families can thrive.

All players are expected to behave in a manner that reflects the good behaviour expected by the Club by:

- At all times to shake hands with their opponent(s) at the completion of a match.
- Not enlisting the aid of spectators, including parents, coaches in making line calls, or attempting to determine the score or other on-court matters.
- Waiting until a point is over before walking behind a court where a match is in progress.
- Waiting until the players have completed a point to retrieve a ball from another court or to return a ball to another court.
- Not stalling, sulking, complaining or practicing gamesmanship.
- Leaving the courts when asked to allow for scheduled competition or coaching activities as described on the Club's website.

As part of the policy all club members, coaches, and volunteers are reminded not post on social media and pictures of club activities that are alcohol or gambling related.

In case of emergency, you can find contact numbers and addresses for emergency and other health related services located next to the phone by the kitchen.
